Testimonial

Herewith I confirm that Rafal Dlugosz has been working for our agency as a freelance translator on a regular basis since October 2007. He has become one of our preferred suppliers of translations from Dutch into Polish.

We have always been satisfied with Mr. Dlugosz's professional approach and with the quality of his work. I especially appreciate that he

- quickly confirms his availability
- does not take on projects outside his areas of expertise
- asks intelligent questions where the source text leaves room for interpretation
- follows instructions
- delivers on time, every time
- is a competent user of Trados
- provides excellent quality assurance
- does not make any invoicing errors

And last but not least, I also value his obvious love for languages and his pleasant communication skills.

If you have any questions, please do not hesitate to contact me.

Best regards,

Susan van den Ende
